

Zymurgy Institute

Zymurgy (*zī'mūr'jē*) -*n.* The branch of applied chemistry that deals with fermentation processes, as in brewing beer.

Gain refreshing knowledge on the scientific study of fermentation and production beer brewing with Colorado State University-Pueblo Continuing Education and Bristol Brewing Company in Colorado Springs.

Join us every 2nd and 4th Monday at 7pm from August 2009 to June 2010 to learn from university scholars and industry experts on this fascinating topic. We'll teach you everything you ever wanted to know about the art and business of beer in the Bristol Brewing Company Tasting Room at 1647 South Tejon Street.

Peruse the presentation schedule and fill out the registration form inside. Space is limited so act now.

Cheers!
